Weekly Bible Reading Plan

(2015, 2016, 2017)

This Bible reading plan might look at first glance to be too ambitious (3 years!) But it's actually designed to make reading your Bible **easier**. The readings are given **per week** rather than per day, enabling you to choose which days of the week you'll have more or less time for reading. By the end you'll have read the **Old Testament once** through and the **New Testament twice**.

Make sure you have a Bible that you understand. If you need help in selecting a Bible the ministers will be more than happy to help with suggestions.

Here is a suggested approach for when you sit down to read the Bible:

PRAY - READ - REFLECT - APPLY - PRAY

PRAY Ask God to help you understand his Word. Approach him boldly, humbly and expectantly.

READ Remind yourself what you've already read and then read carefully.

REFLECT Think through the passage, asking yourself the following questions:
What sort of writing is this? (a poem, letter, narrative)
What is the main point of this portion?
What does this teach us about God?
What does this teach us about humans - myself included?

APPLY How does this passage call on me to change the way I live/think/feel?

PRAY Turn the things you have learned into prayers. Thank God for his greatness and love. Confess your sins. Remember the needs of others. Go forth to serve him in joy.
